**One of the greatest
JOYS
for us
is when Father's House
Orphanage
is asked to take
another child
and
we can answer, "YES!"**

**Dear Friend and Partner of CAIRD,
2012**

M a y / J u n e

Pictured above is the Stoica family (with their biological daughter). They are a loving Christian family in Romania that CAIRD has been able to prepare to care for orphaned and abandoned children. Any day we are expecting a call from the Romanian Children's Services asking us to take more children. We can say "YES" now because of the additional capacity of another family added to Father's House.

Instead of orphaned/abandoned children having to face the pain of a government orphanage, they will be welcomed into a Father's House family by a father and a mother. Thank you for standing with us and helping such miracles happen in Romania and South Africa. Every child matters to God. Together with our partners we remain committed to reaching out a hand of love to each one we can.

Peter Mrazik, CAIRD President

May / June 2012

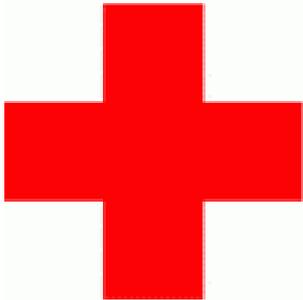

Father's House Educational Fund

CAIRD remains committed to helping the orphaned and abandoned children in our care through to adulthood. We see Christian character, work ethic and a good education as key components to each child's future. In Romania, a girl who grew up in Father's House is scheduled to graduate from university this year—a remarkable achievement for her.

The Father's House Educational fund provides for school uniforms, school supplies, tutoring for children with learning challenges and post secondary tuition. If you would like to invest in the education of Father's House children, please attach a note with your support and it will be directed accordingly. Thank you!

Father's House Medical Assistance Fund

As the children of Father's House Romania and South Africa grow, medical and dental care is often required that monthly sponsorship doesn't cover. Needs arising can be:

- Corrective or emergency surgery
- Eyeglasses
- Dental care
- Medication, vitamins etc.

CAIRD is very grateful for those able to support the FH Medical fund which allows for immediate intervention as needs arise.

LUNCA PROJECT

A special thank you to all who have invested in the Lunca, Romania community development project. This project, based in an impoverished village in central Romania, continues to grow and have an impact on many lives.

The project is now being led by New Life Church in Lunca. CAIRD still provides some community development and children's ministry support, but only if it is designated to Lunca by the donor. All general donations go to Father's House.

If you would like to receive updates on the Lunca project, please email or contact the CAIRD office.

As per Alberta legislation, the following information is provided:

CAIRD's Canada Revenue Agency number is 88662 6274 RR001. The goal of this newsletter is to raise \$12,000. Administration costs will not exceed 7% of the goal. For more information, contact the CAIRD office.
