August 31, 2016

Dear Friends,

The name Father's House International captures the original vision of CAIRD. Our mission is "Orphans No More", even as "one child is so much". Praise God, we are moving forward in the Spirit and in the power of Christ.

On a recent trip to Romania I was so blessed to see one of your precious families joining hands, led in prayer by the father – on the trail after visiting some beautiful waterfalls. *These children and teens are being raised to become the Christian leaders of tomorrow!* And to think, that without your compassionate concern, they may have been left on the street with no knowledge of the Christ who loves them and gave Himself for them.

NATIONAL DIRECTOR REPORTS

Our South African director writes: "The boys are doing well, polite and full of the joys of life." In another family, "The teens are looking and behaving very well. They are a pleasure, with good manners."

In yet another family with a natural-born baby joining their 4 year-old orphan child: "With the arrival of the new baby we thought that he would have issues but he has embraced the new baby and cannot wait to play with him."

Creating a South African Board has had setbacks, but we anticipate the Lord will bring this together in His good timing.

I am eager to be a part of the family camp in South Africa again this November, with the very good likelihood that our founders, Peter and Haley will be there too!

Our Romanian National Director writes that there have been a number of health issues. One teen had appendicitis and some complications. Please pray for all our children.

“One of our mothers moved to Germany where her husband has work. The two babies she was looking after had to be taken by others. The two year old was taken by a family related to her biological mother. The other is in a Christian family that look after baby twins that they found abandoned in a maternity ward. They live near Medias, so they are friends with our Father’s House families and they are happy to be part of our family.”

So the ministry goes on as God so graciously enables – often through you!

We are thrilled to have Anca, one of our first children raised in a Father’s House Romania home, come to Alberta and share in a number of churches and small groups, She received a degree in pharmacy in 2013 and is working full-time as a pharmacist in central Romania.

You are invited to a wonderful banquet at which Anca will be sharing her testimony. We’ll also have videos updating the work in both South Africa and Romania.

Anca would love to come to share her story with your church or small group. To arrange a visit. please call me at **587-983-4358**

Date: Saturday, **September 24, 2016**

TIME: **5:30PM**

Location: **High River Baptist Church**

(Hwy 2, High River, AB)

Take either exit heading EAST, then follow the service road till you get to the church. Very visible from the highway!

Please inform Julie at 780-439-5510 or info@caird.ca with numbers that you will be bringing. There is no charge, but opportunity will be given for you to contribute to this vital mission. Our children in both countries often have special medical needs, school needs, and needs related to their living situations. *Your gifts are always appreciated!*

To wisely use God’s resources we would like to send newsletters and updates to you electronically, if you provide our Edmonton office (info@caird.ca) with your email.

God richly bless each of you who so faithfully pray and give!

Philippians 4:19 And my God will meet all your needs according to the riches of his glory in Christ Jesus.

Stephen Pike

Stephen Pike, fellow servant with you, Executive Director of Father’s House International
