**Matthew 4:16** (NIV)

The people living in darkness have seen a great light; on those living in the land of the shadow of death a **light has dawned.**"

**John 8:12** (NIV)

He (Jesus) said, "**I am the light of the world.** Whoever follows me will never walk in darkness, but will have the light of life."

Dear Father's House family,

Our most recent addition of an abandoned child to a family in South Africa epitomizes exactly what we as a mission organization are striving for.

He is a big three-year-old who was a grumpy, unhealthy child six months ago when first introduced into our FHSA family. He didn't talk, was still in diapers, exhibiting the effects of extreme neglect.

From April to November of this year, the transformation has been incredible. Now he comes up to everyone, with charming ear-to-ear smiles looking for big hugs.

How thrilling to see and hear the thirteen year-old biological son of the family hug the little guy, saying he can't imagine life without his little brother (all within the last six months). And to hear the well-behaved, good-looking thirteen year-old tell how he has committed his life to Christ and was recently baptized – it doesn't get any better than that!

But maybe it does. The foster three-year-old son has a special treat *every day* as his new father calls on his coffee breaks at work to ask him how he's doing and tell him he loves him.

We are so thankful for your part in praying for and supporting these children!

Please look over the Gift Giving suggestions on the next page

Many families help their children stay focused on the true meaning of Christmas by involving each family member in a special giving project during the Christmas season. Even a small donation will go a long way toward meeting these goals.
